

REMARKS

Double patenting

Claims 34, 36 – 44, 49, 51 – 59, 64, and 66 – 74 stand rejected on the ground of non-statutory obviousness-type double patenting over claims 34, 36-43, 49, 51-58, 64 and 66-74 of copending Application No. 12/641,586. It was indicated in the Office action that the rejection would be overcome by a terminal disclaimer. A terminal disclaimer is submitted herewith. The signatory of the terminal disclaimer is an attorney or agent. A power of attorney by assignee in favor of the signatory attorney has previously been filed.

The rejection is believed to be removed by the terminal disclaimer.

In view of the foregoing amendment and remarks, applicants respectfully submit that the present application, including claims 34, 36 – 44, 49, 51 – 59, 64, and 66 – 74, is in condition for allowance. Entry of the terminal disclaimer and an early notice of allowance are respectfully requested.

Respectfully submitted,

BRIAN GROVE *et al.*
